June 2018

Dear Elizabeth Hastings Middle School Grade 6 Community,

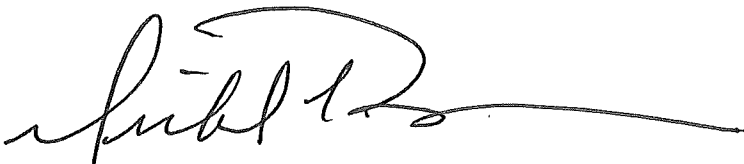

As Principal of the Elizabeth Hastings Middle School, it is my pleasure to welcome you and your family to our learning community. We invite all students and parents/ guardians to our Grade 6 orientation event on Thursday, August 23 at 6:00pm. We will meet as a community to introduce our energetic team of educators and engage families in an evening focused on a successful transition of our students from elementary to the secondary level.

It is our mission as a community to ensure that all students feel welcomed, safe, and a part of the fabric of our culture. This event will support our students in understanding how to navigate throughout the building, engage with teachers, and provide families with an overview of our secondary level.

In closing, we welcome you to the Elizabeth Hastings Learning Community and are looking forward to a successful transition for all students and families. With the support of our dedicated staff, you, and our local community, we are eager to begin the middle school journey with your child. On the back of this letter, you will find our Grade 6 Supply List. We hope this helps as you begin back to school shopping. Additional information and resources can be easily accessed on our Fairhaven Public Schools Website under Elizabeth Hastings Middle School-Families and Students top Tab.

We look forward to seeing all families on Thursday, August 23 at 6:00pm-Auditorium.

Your colleague in education,

Nicholas L. Bettencourt, Ed.D.
Principal
